Board to discuss public health impact of disasters in Japan, school environmental health

Wednesday, April 13, 2011, 1 to 4 p.m., Department of Health, Point Plaza East, 310 Israel Rd. S.E., Tumwater, Washington

At its April 13 meeting, the state Board of Health will discuss the public health impact of disasters in Japan. The board will consider extending the implementation date of its school environmental health and safety rule. Other items on the agenda include a legislative and budget update, and a preliminary discussion on strategic planning.

The meeting is open and the public is invited to provide testimony on any public health issue at 2:30 p.m. Copies of the agenda and related materials are available by contacting the board at 360-236-4100 or on the [Board of Health website](http://www.sboh.wa.gov) (www.sboh.wa.gov). The emergency and media contact number for the board during the meeting is 360-701-2398.

###

The board's mission is to provide statewide leadership in advancing policies that protect and improve the public's health. It does this by reviewing and monitoring the health status of all people in Washington; analyzing policies, providing guidance, and developing rules; promoting system partnerships; and encouraging public engagement in the public health system. For more information, visit the [Board of Health website](http://www.sboh.wa.gov) (www.sboh.wa.gov).
